[codes]

Blood Code (Home version only)

Wait for the high scores to appear, then press **R + D** on controller one and **B + C** on controller two at the same time. Then press **(START)**.

Boss Code

To select bosses, both in arcade and home system, at the Team Edit screen, hold **(START)**. While holding, push

↑ B → C ← R ↓ D

The two bosses should then appear on either side of the counter and the counter should reset back to 15 seconds.
